Open-ended/Free Response Questions

5. What changes in strategy or performance could I have made to enhance my learning in this course?

1. I think that I certainly could have managed my time better. ,2. I should have studied more from my final ,3. In order to enhance my learning of the material I could have taken a more detailed and constructive notes on important topics to master highlighted topics. ,4. Nothing ,5. I could have taken better notes, and read as much of the chapters as I could before the day of in person classes. ,6. I could have took more time to study the material given to me. At times I found myself forgetting about this class because I had so much of work to do for other classes. ,7. I possibly could have consulted with my peers more. ,8. None ,9. i could have studied ,10. The homework he provided really helped me a lot on qu so I think I should've studied my homework more.

13. What were the strengths of my instructor's course management and teaching style?

1. He was a very nice and available instructor. If I had any questions he would respond within an appropriate time. I think that the class was set up in a way that was pretty straightforward and it made it easy to follow along with the content ,2. The strengths of my instructor was the ability to effectively cater to students when in need of help in which assisted students better understand difficult material in the course with an extra helping hand in which was provided one on one with the instructor. ,3. Good explain ,4. My instructor was very responsive to emails, and never made me doubt myself when I asked questions. ,5. He was good at communicating the course and new ideas ,6. he explained materials v face to face and gave sparse homework. ,7. Went over the PowerPoints and broke down each part ,8. He always encouraged us to ask questions ,9. He never left any of the student behind during lectures.

14. What advice do I have for my instructor about the use of instructional time (face-to-face and/or online)?

1. I think that he did a good job and maybe he could work on giving out some outside resources that could help us study the course. ,2. speak louder and more clearly ,3. I don't have any advice. ,4. Don't focus on one person's question for too long ,5. More engagement ,6. The only advice that I would give my instructor is to become much more interactive when teaching the course face to face in order to use the time as effective as possible and making the time spent in class feel much more hands on with out confusion of reading texts straight from a given digital platform or pre-written notes. ,7. Give more practice ,8. I think my instructor could have been more engaging rather than standing at the front to teach the whole class period ,9. I would recommend my professor speak up a little more and come to ready to teach the class effectively. ,10. none

15. What did I most appreciate about how my instructor interacted with students?

1. He was a very nice professor and was it was really easy to ask for help. ,2. very nice and professional attitudde ,3. He treated us as equals and answered the questions no matter question ,4. I most appreciated the persistence of my instructor to truly want to help students when concepts weren't attained as expected. ,5. Open note ,6. I appreciated the fact my instructor was very patient, and never made me feel bad about asking for clarity ,7. He made sure everyone understood what information he had just covered. ,8. it was in a le hall and he answered and explained questions in more ways than one when asked. ,9. We met every other week to make sure everyone was on top

21. What, if any, assignments would you change, and why?

1. I would not change any of the assignment. ,2. I would personally not change any assignments due to the reason that this class was super straight forward and not challenging to want to learn as a student. ,3. Nun ,4. I wouldn't change any of the assignments. ,5. None ,6. none ,7. None ,8. all of the homework was straight forwardee
